

REMARKS

The Examiner has indicated that Claims 1-20 and 32-37 are allowable, and that Claims 23-28 and 30-31 would be allowable if rewritten. Claims 23-28 and 30-31 have been so rewritten and are now allowable.

The Examiner rejected Claims 21 and 22 as being anticipated by Kalnay ('623). While the Applicant strongly disagrees with the Examiner's explanation for the rejection, Applicant has decided to cancel these claims in this application and file a separate continuation application to further prosecute those claims.

The Applicant asks the Examiner to consider the allowable and amended Claims 23-28 and 30-31 and issue a Notice of Allowance.

Respectfully submitted,
